University of Miami Herbert Business School

Coral Gables, FL

Bachelor of Science in Business Administration in Business Technology

Expected May 2027

Minors in Mathematics and Computer Science

- **GPA:** 3.68 / 4.00
- **Honors/Awards:** President's Scholarship; President's Honor Roll (Fall 2025); Provost's Honor Roll (Fall 2023, Fall 2025); Dean's List (Fall 2023, Spring 2025, Fall 2025)

WORK & LEADERSHIP EXPERIENCE

Goldenrod Companies

Omaha, NE

Real Estate Technology & Investment Intern

January 2025 – Present

- Developed AI-powered workflows to automate multifamily and commercial rent roll analysis, converting raw tenancy schedules into structured Excel models
- Developed automation pipelines using n8n, OpenAI APIs, and Claude, integrating spreadsheet templates to streamline internal data processing
- Engineered prompt systems and scripts to extract and structure submarket comps, property data, and lease information, reducing manual spreadsheet analysis from hours to minutes

N&S Digital LLC

Coral Gables, FL

Co-Founder

April 2025 – Present

- Built and launched multiple SaaS tools focused on AI automation and productivity
- Developed StackingPlanner.com, a platform that converts manual commercial real estate stacking plans into automated visual layouts with saved dashboards
- Created AI-powered education and productivity tools used by 100+ users

SK Commercial Realty

Atlanta, GA

Intern

July - August 2025

- Built a web application automating commercial real estate stacking plans, replacing manual Excel workflows with an interactive, customizable visualization tool
- Created a financial model in Excel, incorporating assumptions such as cap rate, LTV, amortization, and leasing commissions to evaluate unleveraged and leveraged cash flows

Eduply

Atlanta, GA

Generative A.I. Prompt Engineer

May 2024 – May 2025

- Designed A.I. tools using ChatBotKit and Zapier, including a video lesson planner that generated tailored lesson plans for teachers and administrators
- Optimized prompts for AI chatbots integrated into school systems, enhancing their ability to assist educators with curriculum planning and instructional support
- Developed chatbots adopted by Atlanta Public Schools, Georgia Tech, and other educational institutions

YMCA Camp High Harbour at Lake Allatoona

Acworth, GA

Program Director - Watersports

Summer 2021 – 2025

- Directed daily operations and safety procedures for 200+ campers and 80+ staff
